small group Bible study environments for life-transforming relationships

Life Group Covenant

Welcome to Life Groups at Hope Community Church! Congratulations on your desire to grow deeper in your relationship with God through study and the relationships you will establish in this Life Group.

This covenant will help us discuss and clarify our goals, expectations, and commitments as a group. Since healthy groups thrive on trust and participation, a clear covenant is an important starting point toward a successful group experience

Home Groups: Our Basic Purpose

Home Groups have the same vision and purpose as Hope Community Church: To help create fully devoted followers of Jesus Christ.

Sharing

Each week, we will take time to share what is happening in our lives. It is vital to the health of our group to be open and honest during these times. Everything shared within the context of the group is private and confidential information. None of the group members will share private matters with those outside the group.

Study

Each week we will study a portion of God's word and truth. Our goal is to learn how to apply and live out our Christianity in our day-to-day experiences and relationships.

Support

Each week, we'll learn how to take care of one another as Christ commanded (see John 15:9-13). This care will take many forms, such as praying, listening, meeting needs, and encouraging and even challenging one another as needed.

Service

Throughout the semester we will seek to impact our community in a meaningful way. Our goal is to not simply learn God's truth, but to live it out as well for the sake of our spiritual growth and the good of our communities.
